Founded in 1958, the International School of Milan is the oldest international school in the city. Recently renovated (in 2013), our modern, state-of-the-art campus is well equipped to provide a safe and inspiring environment for students. We are located only a few kilometres from central Milan (CBD) so are well positioned in terms of sightseeing and tours of this fascinating, vibrant and historic city.

Our Summer Camps offer a unique and exceptional experience for all participants. Based in the world's fashion capital we offer a unique opportunity for those who want to develop their creative skills and be inspired by leading designers based in the city. All our programmes combine language lessons and numerous sporting options – available both on and off campus.
